ALWAR,

Dt/ 14th March 1923

Dear sir,

There is a question pending here regarding interestatal riparian rights and in that connection I am desirous of finding out what has been the guiding principle in such matters in your part of the country.

I remember having had a talk about such a dispute that Mysore had with Madras regarding the construction of an irrigation dam with Sir Visheshwar Aiyar, when I met him in meetings in committees of Ministers that were held in connection wi with the Chamber of Princes.

I shall therefore be grateful if you will kindly let me have a copy of the case together with a copy of the decision that may have been arrived at.

I have just read in the Newspapers of the 'Kannambadi Dam' under construction and perhaps that may be the bund referred to by Sir Visheshwar Aiyar.

With apologies for the trouble.

Yours sincerely,

Syamsundarlal

Rao Bahadur, C.I.E.
